You never change, always the same

Verse 1:

C A Bb
Strange how everything

C A Bb
Seems to rearrange

Eb F C Eb F
Apart from who You are

C A Bb
Nations rise and fall

C A Bb
Build, rebuild the walls

Eb F C Eb F
They all fall down

G
But nothing shakes You

F
Nothing shakes You

G F
Nothing shakes You down

C Bb G F

Da, da
C Bb G F
Da, da

Verse 2 (same as verse 1):

Seasons come and go

But You're immutable

I hide myself in You

The shaking of our lives

Strength to strength we rise

Anchored in You

Nothing shakes You

Nothing shakes You

Nothing shakes You down

(Chorus)

C Bb
You never change, always the same

G F
Always the same, always the same

C D G F
Spinning, spinning, the whole world just spins around

C D G F
People to people all trying just to figure out

C D G F
Moving, moving, where's the power to slow it down

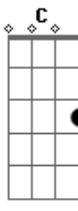

C D G F
Staying, standing, standing on the strength I've found

C Bb G F
Da, da, da, da, da, da, da, da, da, da

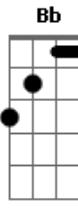

Chorus (x3)
