

Skillet - Good To Be Alive

Tom: C
Intro: C G

When all you've got are broken dreams
Just need a second chance
And everything you want to be
Gets taken from your hands
We hold on to each other
All we have is all we need
Cause one way or another
We always make it, you and me

Refrão

This life can almost kill you
When you're trying to survive
It's good to be here with ya
And it's good to be alive
Is's good to be alive
I was lost and I was gone
I was almost dead inside
You and me against the world
It's a beautiful night
It's good to be alive
(it's good to be alive, it's good to be alive)
It's good to be alive
(it's good to be alive, it's good to be alive)

Driving down this highway
Soaking up the sun
Got miles to go before we get home
And the journey's just begun
We hold on to each other
You are everything I need
You feel like forever
You're a second chance for me

Refrão

This life can almost kill you
When you're trying to survive
It's good to be here with ya
And it's good to be alive
It's good to be alive
I was lost and I was gone
I was almost dead inside
You and me against the world
It's a beautiful night
It's good to be alive
