1 parte :

**G**  
Let's get the story straight  
**Bm**  
You were a poison  
**G**  
You flooded through my veins  
**Bm**  
You left me broken  
**G**  
You tried to make me think  
**Bm**  
That the blame was all on me  
**G** **A**  
With the pain you put me through  
**G**  
And now I know that  
**A** **Bm**  
it's not me it's you
