Tom: **C**

Skillet - Lucy by Pedro Parente

Verso 1:

G Hey Lucy, I remember your name. **C**
G I left a dozen roses on your grave today. **C**
Em I'm in the grass on my knees, wipe the leaves away. **F**
Em I just came to talk for a while. **D**
C I got some things I need to say.

Refrão:

G Now that it's over.
D I just wanna hold her.
Em I'd give up all the world to see, **D**
C That little piece of heaven looking back at me.
Em Now that it's over
D I just wanna hold her.
C I gotta live with the choices I make.
Em and I can't live with myself today.

(**G**)

Verso 2:

G Hey Lucy, I remembered your birthday. **C**
G They said it'd bring some closure to say your name. **C**
Em I know I'd do it all different if I had the chance. **F**

C And they can't help me make amends.
