Tom: C

Skillet - Lucy by Pedro Parente

Verso 1:

G C
Hey Lucy, I remember your name.
G C
I left a dozen roses on your grave today.
Em F
I'm in the grass on my knees, wipe the leaves away.
Em D
I just came to talk for a while.
C
I got some things I need to say.

Refrão:

G
Now that it's over.
D
I just wanna hold her.
Em D
I'd give up all the world to see,
C D
That little piece of heaven looking back at me.
Em
Now that it's over
D
I just wanna hold her.
C D
I gotta live with the choices I make.
Em D
and I can't live with myself today.

(G)

Verso 2:

G C
Hey Lucy, I remembered your birthday.
G C
They said it'd bring some closure to say your name.
Em F
I know I'd do it all different if I had the chance.

But all I got are these roses to give.
C D
And they can't help me make amends.
