Gb A D Db Gb A D Db

it ends on the 10 ( D ) before it goes to the chorus..soo cut it here

and the chorus is..

a|-----5-5-5-5--|

e|--5-5-5-5-----| 3x  
A D

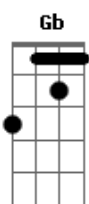

then

a|-----8-8-8-8--9-9-9-5--|  
 e|--5-5-5-5-----|  
A F G D

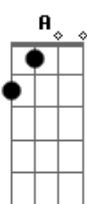

the bridge (which is the instrumental) is just the verse line

i typed this out for a friend, and i saw it wasnt on here..so im putting it up..but i dont want to re-type it..or put lyrics so be good guitarists and figure it out..its not hard..im pretty sure it close..dont eat me out if its not though..
