

# Skillet - Savior

Tom: **G**

**Em** **D** **G**  
 I'm everything you've wanted  
 I am the one who's haunting you  
 I am the eyes inside of you  
 Stare back at you  
**Em** **D** **G**  
 There's nothing left to lose  
 There's nothing left to prove  
 Surrender your love  
 It's all you can do, yeah  
**Em**  
 What you got  
 What you want  
 What you need

**D** **C**  
 Gonna be your savior  
**Em** **D**  
 Everything's gonna crash and break  
**C**  
 But I know, yeah, I know  
**Em**  
 What you got  
 What you want  
 What you need  
**D** **C**  
 Gonna be your savior  
**Em** **D**  
 Everything's gonna crash and break  
**C**  
 Your savior
