

# Skillet - Say Goodbye

Tom: C

(PIANO INTRO)

Intro: | C G F Am G C

Verse 1|

C Am  
Things are changing  
G  
It seems strange and  
F C  
I need to figure this out  
Am  
You've got your life  
G  
I got mine  
F Am  
But you're all I cared about  
G  
Yesterday we were laughing  
C  
Today I'm left here asking  
Dm  
Where has all the time gone now  
F  
I'm left alone somehow  
Dm  
Growing up and getting older  
F  
I don't want to believe it's over  
PrE|-chorus riff|

Chorus|

C G  
Don't say goodbye  
F C G  
Cause I don't wanna hear those words tonight  
F Am  
Cause maybe it's not the end for you and I  
G  
And although we knew  
F C  
This time would come for me and you  
Dm  
Don't say anything tonight  
F C  
If you're gonna say goodbye  
(G F Am G )

C Am  
Do you remember  
G  
In December  
F C  
How we swore we'd never change  
Am  
Even though you're leaving  
G  
That our feelings  
F Am  
Would always stay the same  
G F  
I wish we could be laughing  
C  
Instead I'm standing here asking  
Dm

Do we have to end this now  
F  
Can we make it last somehow  
Dm  
We both know what we've gotta say, not today  
F  
Cause I don't wanna leave this way  
PrE|-chorus riff|

Chorus|

C G  
Don't say goodbye  
F C G  
Cause I don't wanna hear those words tonight  
F Am  
Cause maybe it's not the end for you and I  
G  
And although we knew  
F C  
This time would come for me and you  
Dm  
Don't say anything tonight  
F  
If you're gonna say goodbye

Bridge|

Am G C  
And if it's over  
Am G C Am  
It hurts but I'm giving you my word  
G C  
I hope that you're always  
Dm Am  
Happy like we were  
Dm Am  
Happy like we were

(Am G C D A )
