

Skillet - The Older I Get

Tom: C

Am The walls between G
Dm You and I

Always pushing us apart nothing left but scars fight after fight F G
Am The space between Dm
Our calm and rage

Started growing shorter, disappearing slowly day after day F G
Dm I was sitting there waiting in my room for you C G Dm
C You were waiting for me too
G And it makes me wonder

C The older I get G
Will I get over it
Dm It's been way too long for the times we missed Am
F I didn't know that it would hurt like this but I think G
C The older I get G
Maybe I'll get over it
Dm It's been way too long for the times we missed Am
F I can't believe it still hurts like this (Am G)

Am The time between G
Dm Those cutting words

Built up our defenses never made no sense it just made me hurt F G
Am Do you believe Dm
That time heals all wounds

It started getting better but it's easy not to fight when G
I'm not with you F
Dm I was sitting there waiting in my room for you C G Dm
C You were waiting for me too
G And it makes me wonder

C The older I get G
Will I get over it
Dm It's been way too long for the times we missed Am
F I didn't know that it would hurt like this but I think G C
C The older I get G
Maybe I'll get over it
Dm It's been way too long for the times we missed Am
F I can't believe it still hurts like this G C
G What was I waiting for
Dm I should've taken less and given you more
F I should've weathered the storm
G I need to say so bad C
G What were you waiting for Dm F
This could have been the best we ever had

C The older I get G
Will I get over it
Dm It's been way too long for the times we missed Am
F I didn't know that it would hurt like this G
C But I think
G The older I get
Maybe I'll get over it
Dm It's been way too long for the times we missed Am
F I can't believe it still hurts like this G C
G Hurts like this

I'm just getting older Dm
F I'm not getting over you I'm trying to G
C I wish it didn't hurt like this G
Dm It's been way too long for the times we missed Am
F I can't believe it still hurts like this G C
