

# Skillet - Yours to Hold

Tom: D

I see you standing here  
But you're so far away  
Starving for your attention  
You don't even know my name

You're going through so much  
But I know that I could be the one to hold you

Refrão:

Every single day  
I find it hard to say  
I could be yours alone  
You will see someday  
That all along the way  
I was yours to hold  
I was yours to hold

Solo:

Solo de Fundo:

Verso 2:

I see you walking by  
Your hair always hiding your face  
I wonder why you've been hurting

I wish I had some way to say  
You're going through so much  
Don't you know that I will be the one to hold you

Refrão:

Every single day  
I find it hard to say  
I could be yours alone  
You will see someday  
That all along the way  
I was yours to hold  
I was yours to hold

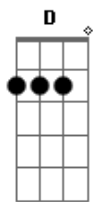

Ponte:

I'm stretching but you're just out of reach  
You should know  
I'm ready when you're ready for me  
And I'm waiting for the right time  
For the day I catch your eye  
To let you know  
That I'm yours to hold

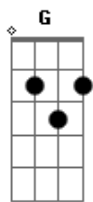

(Refrão 2x)
