Intro:  Bm   Em   Bm
          Em   G   Bm

[Primeira Parte]

                   Em                      Bm
I saw her on the fences through all the borders
              Em                       Bm
She's been a lot of places, sharks in the water
            Em                    Bm
I only want her with me, bring on the trouble
              Em            G          Bb
Some never see her beauty, nor see the struggle

[Pré-Refrão]

         Em
I'm a refugee
Gbm                 Bm
Come around here, come around here
                Em
You're a refugee
Gbm              A           Bm
From around there, from around there

[Refrão]

Bm                   Em
So go and tell your people
                       Bm
Bring them to my town
Bm                 Em
We gon' love your people
A           Bm
Let's burn one down
Bm                    Em
So go and tell your mother
                       Bm
Bring your sisters 'round
Bm                   Em
Cause we gon' love your people
A           Bm
Let's burn one down

Bm  Em  D  Bm  Em
Yeah
A                Bm
Let's burn one down down

[Segunda Parte]

Bm                  Em                Bm
He saw a war was waging, had to escape
Bm            Em               A          Bm
She told the youths "Get ready, they're gonna make it"
Bm             Em                          Bm
"Run for your life" she tells them, the walls are breaking
Bm            Em               A          Bm
Peace should be in your future, it's for the taking

[Pré-Refrão]

Cause we gon' love your people
A           Bm
Let's burn one down

Bm                  Em
Go and tell 'em all, yeah
D               Bm
Go and bring your people 'round (one down, one down)
Em          A        Bm
Maybe we can burn one down
Bm                          Em
Go and bring you sisters 'round (I'm a refugee and ?)
Bm           A        Bm
Maybe we can burn one down
