

Sky Ferreira - You're Not The One

Tom: E

E B Dbm A (x4)

E B Dbm A
Dreams stay with you

E B
Always on my mind

Dbm A
I got a lust for lies

E B Dbm A
Seasons bring truth

E B Dbm A

When I found mine, it was summertime

E B Dbm A
It's the middle of the night and I'm so gone

E B
And I'm thinking about how much I need you

But you really want somebody else

E B Dbm A
Should be given the right to carry on

E B
I'm still thinking about how much I need you

But you really want somebody else

E B Dbm A
You're not the one

E B Dbm A
Guess you're not the one

E B Dbm A (x2)

E B Dbm A

Streets like a zoo

E B Dbm A

Through a city of lights, love at first sight

E B Dbm A
Silent rays of blue

E B
They slowly glide

Dbm A
Right down my spine

E B Dbm A
It's the middle of the night and I'm so gone

E B

And I'm thinking about how much I need you

But you really want somebody else

E B Dbm A

Should be given the right to carry on

E B
I'm still thinking about how much I need you

But you really want somebody else

E B Dbm A
You're not the one

E B Dbm A

Guess you're not the one

Dbm B
I was enjoying the ride

And now we're standing on the graveside

Dbm B
Left unsatisfied

Dbm B

I won't even bother to fight

A E B Dbm A

I know you're not the one

You're not the one

You're not the one

You're not the one

E B Dbm A
You're not the one

E B Dbm A
Guess you're not the one

E B Dbm A
You're not the one

E B Dbm A
Guess you're not the one
