

# Slash - The One You Loved Is Gone

tom:  
Gb (forma dos acordes no tom de G)  
Afinação: Eb Ab Db Gb Bb Eb

And I wonder even now Whatever came of you  
And I wonder even now Where you are  
Even though I'm much too proud To ever say it  
Your ghost still comes around To haunt my heart  
If only time Could somehow turn the page  
If only I Hadn't walked away

( G D Em C )

I'm a desperate man Who longs to stop the aching  
I'm a desperate man Who longs to find someone  
Who can show me There is joy left for the taking  
Who can show me There's a song left to be sung

If only time Could somehow turn the page  
If only I Hadn't walked away

[Refrão]

The lonely embrace of days gone by  
So better the taste where love survives  
But the one you loved is gone

Now I know, now I know  
We can't replace what we let go  
And still I hope, still I hope

That time will ease the pain  
Of losing something that was pure And beautiful

( G D Em C )  
( G D Em C )

And I wonder even now  
Whatever came of you  
And I wonder even now  
Where you are

[Refrão]

The lonely embrace of days gone by  
So better the taste where love survives  
But the one you loved is gone

( G D Em C )

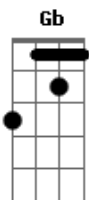

La, la, la, la, la, la  
La, la, la, la, la, la  
If only time could turn the page

La, la, la, la, la, la  
La, la, la, la, la, la  
And take me back to yesterday

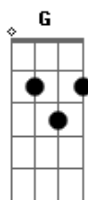

La, la, la, la, la, la  
La, la, la, la, la, la  
Oh, but things would always change

La, la, la, la, la, la  
La, la, la, la, la, la oh, oh, oh, oh
