To break it off when we're afraid
Gm7
Shook the chills and ash away
Gm
Hugged it out and always said
Dm7
Giving a heart is understanding
                Α

      Dm7
 And we know we're never perfect

                       G
                                        Gm
 Everything we do, we do it out of love

                  Am7
