

Sleep Theory - Another Way

tom:

Bbm

Intro: Bbm Db Ebm Gb F

[Primeira Parte]

Bbm

I can feel it when you come around

Db

You can say a lot but never make a sound

Ebm

Even with a look I know it's going down

Gb

F

Save us both some time and just say it

Bbm

You never let me know when something changed

Db

You made a fool of me and I'm to blame

Ebm

For thinking things could ever be the same

Gb

F

When you're already done

[Refrão]

Bbm

So when the bottom falls

Gb

And goes up in flames

Db

I'll lay the past to rest

Ab

And forget your name

Bbm

So when the bottom falls

Gb

My heart does the same

Db

And I remember the words

Ab

You never had to say

[Segunda Parte]

Bbm

You let me think that we were okay

Db

Even though you knew that it was too late

Ebm

I guess you knew that I'd get in the way

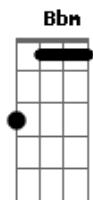

Gb

F

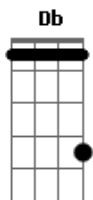

If you'd ever come out and just say it

Lookin' at me like I'm a reason to leave like I'm not anything

Db

Listen to me, I'm not about to believe that I lost everything

Ebm

If it's the end, you better know it's the end, make me a casualty

Gb

F

'Cause once you leave, you're dead to me

Bbm

So when the bottom falls

Gb

And goes up in flames

Db

I'll lay the past to rest

Ab

And forget your name

Bbm

So when the bottom falls

Gb

My heart does the same

Db

And I remember the words

Ab

You never had to say

(Gb Bbm Gb Db Fm)

Gb

Bbm

If there's no more hope

If there's nothing here to save

Gb

Db

I'll stand alone without you

Fm

I'll find another way

Bbm

So when the bottom falls (when the bottom falls)

Gb

And goes up in flames (up in flames)

Db

I'll lay the past to rest (to rest)

Ab

And forget your name (forget your name)

Bbm

So when the bottom falls (when the bottom falls)

Gb

My heart does the same

Db

And I remember the words (remember the words)
