

Sleep Token - Damocles

tom:
Gb (forma dos acordes no tom de G)
Afinação: Eb Ab Db Gb Bb Eb
[Primeira Parte]

Well, I've been waking up under blades, blueblossom days
If only Damocles would hit me back
No alabaster carvings or faces on a farthing
Would prevent my head from fading to black

And it feels like falling into the sea
From outer space in seconds to me
And I play discordant days on repeat
Until they look like harmony

[Refrão]

When the river runs dry and the curtain is called
How will I know if I can't see the bottom?
Come up for air and choke on it all

No one else knows that I've got a problem
What if I can't get up and stand tall?
What if the diamond days are all gone?
And who will I be when the empire falls?

Wake up alone and I'll be forgotten

(G C2)
(G C2)

[Segunda Parte]

Well, I know I should be touring
I know these chords are boring
But I can't always be killing the game
No golden grand pianos or voices from the shadows
Will do anything but feel the same

And it feels like falling into the deep

From somewhere way up over the peaks
And I play discordant days on repeat
Until the tape runs out on me

[Refrão 2]

When the river runs dry and the curtain is called
How will I know if I can't see the bottom?
Come up for air and choke on it all

No one else knows that I've got a problem
What if I can't get up and stand tall?
What if the diamond days are all gone?
And who will I be when the empire falls?

Wake up alone and I'll be forgotten

[Ponte]

And nobody told me I'd be begging for relief
When what is silent to you feels like it's screaming to me
Well, nobody told me I'd get tired of myself
When it all looks like heaven, but it feels like hell

[Refrão Final]

When the river runs dry and the curtain is called
How will I know if I can't see the bottom?
Come up for air and choke on it all

No one else knows that I've got a problem
What if I can't get up and stand tall?
What if the diamond days are all gone?
And who will I be when the empire falls?

Wake up alone and I'll be forgotten
