

Sleep Token - Damocles

```
And it feels like falling into the deep
                                                                                    G7M
                 tom:
                                                                                                  C2
                 Gb (forma dos acordes no tom de G )
                                                                    From somewhere way up over the peaks
                 Afinação: Eb Ab Db Gb Bb Eb
                                                                                   Fm
               G7M
                                        C2
                                                                    And I play discordant days on repeat
Well, I've been waking up under blades, blueblossom days
                                                                                              C7M
       G7M
                                                                    Until the tape runs out on me
                            C2
If only Damocles would hit me back
                      C2
                                                                              C<sub>7</sub>M
No alabaster carvings or faces on a farthing
                                                                    When the river runs dry and the curtain is called
         G7M
Would prevent my head from fading to black
                                                                    How will I know if I can't see the bottom?
                                  C2
                                                                    Come up for air and choke on it all
And it feels like falling into the sea
                             C2
                                                                    No one else knows that I've got a problem
            G7M
From outer space in seconds to me
                                                                    What if I can't get up and stand tall?
              Em
And I play discordant days on repeat
                                                                    What if the diamond days are all gone?
Until they look like harmony
                                                                    And who will I be when the empire falls?
         C7M
When the river runs dry and the curtain is called
                                                                    Wake up alone and I'll be forgotten
How will I know if I can't see the bottom?
                                                                    And nobody told me I'd be begging for relief
Come up for air and choke on it all
                                                                                  C7M
                                                                                            D
                                                                                                               A2
                                                                    When what is silent to you feels like it's screaming to me
No one else knows that I've got a problem
                                                                          C7M Em
                                                                    Well, nobody told me I'd get tired of myself
What if I can't get up and stand tall?
                                                                                             D
                                                                            C7M
                                                                                                         Α2
                                                                    When it all looks like heaven, but it feels like hell
What if the diamond days are all gone?
And who will I be when the empire falls?
                                                                    When the river runs dry and the curtain is called
Wake up alone and I'll be forgotten
                                                                    How will I know if I can't see the bottom?
( Em G C7M )
                                                                    Come up for air and choke on it all
                                                                    No one else knows that I've got a problem
        G7M
Well, I know I should be touring
                                                                    What if I can't get up and stand tall?
I know these chords are boring
                                                                    What if the diamond days are all gone?
     G7M
But I can't always be killing the game
                                                                    And who will I be when the empire falls?
                        C2
No golden grand pianos or voices from the shadows
                                                                    Wake up alone and I'll be forgotten
                             C2
Will do anything but feel the same
                                                                    ( Em G C7M )
                   G7M
                                  C2
                                                                    ( Em G C7M )
