

Sleep Token - Damocles

tom:

Gb (forma dos acordes no tom de G)

Afinação: Eb Ab Db Gb Bb Eb

G C2

Well, I've been waking up under blades, blueblossom days

G C2

If only Damocles would hit me back

G C2

No alabaster carvings or faces on a farthing

G C2

Would prevent my head from fading to black

G C2

And it feels like falling into the sea

G C2

From outer space in seconds to me

Em C

And I play discordant days on repeat

D C

Until they look like harmony

C

When the river runs dry and the curtain is called

D
How will I know if I can't see the bottom?

Em
Come up for air and choke on it all

G
No one else knows that I've got a problem

C
What if I can't get up and stand tall?

G
What if the diamond days are all gone?

D
And who will I be when the empire falls?

Em
Wake up alone and I'll be forgotten

(Em G C)

G

Well, I know I should be touring

C2

I know these chords are boring

G C2

But I can't always be killing the game

G C2

No golden grand pianos or voices from the shadows

G C2

Will do anything but feel the same

G C2

And it feels like falling into the deep

G C2

From somewhere way up over the peaks

Em C

And I play discordant days on repeat

D C

Until the tape runs out on me

C

When the river runs dry and the curtain is called

D
How will I know if I can't see the bottom?

Em
Come up for air and choke on it all

G
No one else knows that I've got a problem

C
What if I can't get up and stand tall?

G
What if the diamond days are all gone?

D

And who will I be when the empire falls?

Em
Wake up alone and I'll be forgotten

C

And nobody told me I'd be begging for relief

C D A2 C

When what is silent to you feels like it's screaming to me

C Em G D

Well, nobody told me I'd get tired of myself

C D A2

When it all looks like heaven, but it feels like hell

C

When the river runs dry and the curtain is called

D
How will I know if I can't see the bottom?
