

Sleep Token - Dangerous

tom:
Bm
 I wish I could have known that **Bm7**
 Look in your eyes would echo in mine and go back
 Out of my mind, across the line
Em
 When was the last time I felt like this?
D7M
 Dark desire and tainted bliss
Em
 It's like you're dangerous to me
D
 I notice every time we meet
Em **Bm7**
 I feel the ground beneath my feet giving way
Em
 You've got me talking in my sleep
D
 As if you're conquering my dreams
Em **A** **E-** **Bm7**
 You have awakened what's beneath again
Bm7
 Well, I thought I could resist you
 But something in me just can't help but insist to
 Blur the lines just one last time so
Em
 When's the last time you tasted blood?
G7M

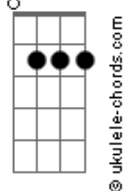

And what will it take to stem the flood?
Bm7
 And I am caught in time
 Like clockwork beneath the permafrost
 I might lose my mind
 Back to back with oblivion
Em
 And you might breathe that burning breeze through
Bm7
 Paradise for me
Em
 It's like you're dangerous to me
D
 I notice every time we meet
Em **A** **E-** **Bm7**
 I feel the ground beneath my feet giving way
Em
 You've got me talking in my sleep
D
 As if you're conquering my dreams
Em **A** **E-** **Bm7**
 You have awakened what's beneath again
Em **Bm7** **D** **Em**
 Won't you show me how to dance forever? (Forever)
Em **D7M** **Dbm7** **Em**
 Won't you show me how to dance forever?
D **Dbm7** **Em** **Bm7** **D** **Em**
 Won't you show me how to dance forever?
