

Sleep Token - Dangerous

tom:
Bm
 I wish I could have known that **Bm**
 Look in your eyes would echo in mine and go back
 Out of my mind, across the line
Em
 When was the last time I felt like this?
D
 Dark desire and tainted bliss
Em
 It's like you're dangerous to me
D
 I notice every time we meet
Em **Bm**
 I feel the ground beneath my feet giving way
Em
 You've got me talking in my sleep
D
 As if you're conquering my dreams
Em **A** **E-** **Bm**
 You have awakened what's beneath again
Bm
 Well, I thought I could resist you
 But something in me just can't help but insist to
 Blur the lines just one last time so
Em
 When's the last time you tasted blood?
G

And what will it take to stem the flood?
Bm
 And I am caught in time
 Like clockwork beneath the permafrost
 I might lose my mind
 Back to back with oblivion
Em
 And you might breathe that burning breeze through
Bm
 Paradise for me
Em
 It's like you're dangerous to me
D
 I notice every time we meet
Em **A** **E-** **Bm**
 I feel the ground beneath my feet giving way
Em
 You've got me talking in my sleep
D
 As if you're conquering my dreams
Em **A** **E-** **Bm**
 You have awakened what's beneath again
Em **Bm** **D** **Em**
 Won't you show me how to dance forever? (Forever)
Em **D** **Dbm** **Em**
 Won't you show me how to dance forever?
D **Dbm** **Em** **Bm** **D** **Em**
 Won't you show me how to dance forever?
