

# Sleep Token - I Wanna Dance With Somebody

tom:

[Primeira Parte]

Clock strikes upon the hour  
And the sun begins to fade  
Still enough time to figure out  
How to chase my blues away  
I've done alright up 'til now  
It's the light of day that shows me how  
And when the night falls  
When loneliness calls

[Refrão]

Oh! I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah! I wanna dance with somebody  
With somebody who loves me

[Segunda Parte]

I fell in love and lost my senses  
Spinning through the town  
Sooner or later, the fever ends

And I wind up feeling down  
I need a man who'll take a chance  
On a love that burns hot enough to last  
So when the night falls  
My loneliness calls

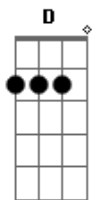

[Refrão]

Oh! I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah! I wanna dance with somebody  
With somebody who loves me  
Oh! I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah! I wanna dance with somebody  
With somebody who loves me

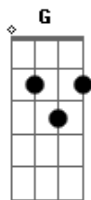

[Final]

Somebody, somebody, yeah  
Somebody, somebody, yeah  
Somebody, somebody, yeah  
With somebody who loves me
