

# Sleep Token - Rain

tom:  
Em

[Primeira Parte]

Am Em  
For so long, I have waited  
Cm Em  
So long that I almost became  
D G  
Just a stoic statue, fit for nobody  
Em  
And I don't wanna get in your way  
Am Em  
But I finally think I can say  
D  
That the vicious cycle was over  
C  
The moment you smiled at me

[Refrão]

Em  
And just like the rain  
Cm  
You cast the dust into nothing  
D Em  
And wash out the salt from my hands  
Bm Gm  
So touch me again  
Em  
I feel my shadow dissolving  
Am Em  
Will you cleanse me with pleasure?

[Segunda Parte]

Em  
It's that chemical cut that I can get down with  
Em  
Up like the moon and out like the hounds  
Em  
A dangerous disposition somehow  
Em  
Refracted in light, reflected in sound  
Am  
I'm coiled up like the venomous serpent  
Am  
Tangled in your trance and I'm certain  
Am  
You have got your hooks in me  
Am  
And I know, I know the way that it goes  
Am  
You get what you give, you reap what you sow  
Em

And I can see you in my fate  
Em  
And I know, I know I am what I am  
Em  
The mouth of the wolf, the eyes of the lamb  
G Em  
So darling, will you saturate?

[Refrão]

Em  
And just like the rain  
Cm  
You cast the dust into nothing  
D Em  
And wash out the salt from my hands  
Bm Gm  
So touch me again  
Em  
I feel my shadow dissolving  
Am Em  
Will you cleanse me with pleasure?  
[Ponte]

Em  
Nobody can say for certain  
Em  
If maybe it's all just a game  
D  
When I open my eyes to the future  
Em  
I can hear you say my name

[Final]

Em Am  
So rain down on me, oh, oh-oh-oh  
Am Em  
Rain down on me, oh-oh-oh  
Em Am  
Rain down on me, oh, oh-oh-oh  
Am  
Rain down on me  
Em  
Rain down on me, yeah  
Em Am  
Rain down on me, oh, oh-oh-oh  
Am.  
Rain down on me, oh-oh-oh Em  
Em Am  
Rain down on me, oh, oh-oh-oh  
Am  
Rain down on me  
Em  
Rain down on me, yeah  
Em  
Rain down on me
