

Sleep Token - Rain

tom: Fm [Primeira Parte] For so long, I have waited [Refrão] So long that I almost became Just a stoic statue, fit for nobody And I don't wanna get in your way But I finally think I can say So touch me again That the vicious cycle was over Em The moment you smiled at me [Refrão] [Ponte] And just like the rain Cm You cast the dust into nothing And wash out the salt from my hands So touch me again Em I feel my shadow dissolving [Final] Will you cleanse me with pleasure? [Segunda Parte] It's that chemical cut that I can get down with Up like the moon and out like the hounds Rain down on me A dangerous disposition somehow Refracted in light, reflected in sound I'm coiled up like the venomous serpent Tangled in your trance and I'm certain You have got your hooks in me Rain down on me And I know, I know the way that it goes Rain down on me, yeah Em You get what you give, you reap what you sow Rain down on me

And I can see you in my fate And I know, I know I am what I am The mouth of the wolf, the eyes of the lamb So darling, will you saturate? And just like the rain You cast the dust into nothing And wash out the salt from my hands I feel my shadow dissolving Will you cleanse me with pleasure? Nobody can say for certain If maybe it's all just a game When I open my eyes to the future I can hear you say my name So rain down on me, oh, oh-oh-oh Fm Rain down on me, oh-oh-oh Am Rain down on me, oh, oh-oh-oh Rain down on me, yeah Am Rain down on me, oh, oh-oh-oh Rain down on me, oh-oh-oh Rain down on me, oh, oh-oh-oh
