

# Sleeping At Last - Daughter

tom:

C

If only you knew

C

The sunlight shines a little brighter

F

The weight of the world's a little lighter

Am

The stars lean in a little closer

F

All because of you

C

I want to see

C

You lift your chin a little higher

F

Open your eyes a little wider

Am

Speak your mind a little louder

F

'Cause you are royalty

C

This is your kingdom

F

This is your crown

G

This is your story

C

This is your moment

F

Don't look down

G

You're ready, born ready

C

And all you gotta do

Am

Is put one foot in front of you

G

Our ceiling is your floor

C

And all you gotta do

F

Is put one foot in front of you

Am

G

C

If only you knew

C

If only you knew

F

The forests grew a little greener

Am

The roots reach in little deeper

F

The birds all sing a little sweeter

C

All to welcome you

C

I want to see

F

Your happily ever after

Am

That you know in your heart that you matter

F

That you are royalty

C

F

This is your kingdom

G

This is your crown

C

This is your story

F

This is your moment

G

Don't look down

C

You're ready, born ready

Am

And all you gotta do

C

Is put one foot in front of you

Am

Our ceiling is your floor

F

And all you gotta do

Am

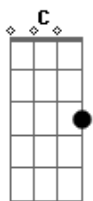

Is put one foot in front of you

G

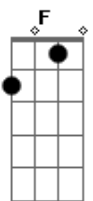

C

If only you knew
