

Sleeping At Last - Sun

tom:

Intro: C

With golden string

Our universe was clothed in light

Pulling at the seams

Our once barren world now brims with life

That we may fall in love

Every time we open up our eyes

I guess space, and time

Takes violent things, angry things

And makes them kind

[Refrão]

"We are the dust of dust"

"We are the apple of God's eye"

"We are infinite as the universe we hold inside"

"Infinity times infinity"

"Infinity times infinity times infinity"

"Infinity times infinity times infinity times infinity"

"Let there be light, let there be light, let me be alright"

[Refrão]
