

Sleeping With Sirens - Dont You Ever Forget About Me

Tom: Db

(com acordes na forma de Capotraste na 6ª casa G)

The hardest thing I'd ever do is say goodbye
and walk slowly away from you,
But I'll do it.
And after all this time I shared with you,
it seems unfair to leave with nothing more
than blank stares, but I'll do it.
If it's for the best then I wish you well,
if it helps to say our life was a living hell,
well then do it, then do it, then do it.
Don't you ever forget about me,
When you toss and turn in your sleep,
I hope it's because you can't stop thinking about
the reasons why you close your eyes,
I haunt your dreams at night,
So you can't stop thinking about me,
don't stop thinking about me.
(G C Em C)
Do you really think you could see this through,
put on a smile, and wear it for someone new?
Don't you do it.
Cause I know I'm not the easiest one to love,

but every ounce I have, I'd invest in you.
No one said love's not for taking chances.
Don't you ever forget about me,
When you toss and turn in your sleep,
I hope it's because you can't stop thinking about
the reasons why you close your eyes,
I haunt your dreams at night,
So you can't stop thinking about me,
don't stop thinking about me.
Will you take me back in the morning,
If i promise to never act this way again?
Cause I'm so bad at being lonely,
but I don't know how, I don't know how.
So don't you ever forget about me,
don't you ever forget about me.
Don't you ever forget about me,
When you toss and turn in your sleep,
I hope it's because you can't stop thinking about
the reasons why you close your eyes,
I haunt your dreams at night,
So you can't stop thinking about me,
don't stop thinking about me.
Just close your eyes and fall asleep tonight.
