C **F**
The fray, the friction
Am **F**
It's the reason that we all become aware.
C **F**
And we change for no reason;
Am **F**
Some say it's better to fall asleep and disappear.

F **G**
And soon we'll finally look at what we've done,
And wake up.

C **F**
So here we are,
Am
Waiting for a phone,
F
And on the radio they're calling up satellites like they're
going to save
C
Us all,
F
So here we are,
Am
I guess I'm praying after all,
F
We're calling all, calling all satellites;
This is a wake up call.

C **F**
A call for freedom;
Am **F**
Ain't that the reason that we are alive?
C **F**
And we waste our lives on the wasted,
Am **F**
Until there's nothing left for us to justify;
Oh, I don't get it.

C **F**

So here we are,
Am
Waiting for a phone,
F
And on the radio they're calling up satellites like they're
going to save
C
Us all,
F
So here we are,
Am
I guess I'm praying after all,
F
We're calling all, calling all satellites;
This is a wake up call.

Change,
No reason;
Some say it's better to fall asleep and disappear.
It's time we finally opened up our eyes.

Four, three, two...
