

Sleeptoken - Rain

tom:
A

Am G Em
For so long, I have waited

Am G
So long that I almost became

D G Em Am
Just a stoic statue, fit for nobody

Am G
And I don't wanna get in your way

Em Am G
But I finally think I can say

D
That the vicious cycle was over

C
The moment you smiled at me

Em
And just like the rain

C
You cast the dust into nothing

D Em
And wash out the salt from my hands

Bm D
So touch me again

Em D
I feel my shadow dissolving

Am Em
Will you cleanse me with pleasure?

Em
It's that chemical cut that I can get down with

D
Up like the moon and out like the hounds

A dangerous disposition somehow refracted in light, reflected in sound

Em
I'm coiled up like the venomous serpent

Am C
Tangled in your trance and I'm certain

Am
You have got your hooks in me

Am
I know, I know, the way that it goes

Em D C
You get what you give, you reap what you sow

And I can see you in my fate

C
I know, I know, I am what I am

The mouth of the wolf, the eyes of the lamb

Em Bm
So darling, will you saturate?

Em
And just like the rain

G
You cast the dust into nothing

D Em D
And wash out the salt from my hands

Am
So touch me again

C
I feel my shadow dissolving

Am Bm
Will you cleanse me with pleasure?

Am G
Nobody can say for certain

Am G
If maybe it's all just a game

D
When I open my eyes to the future

C
I can hear you say my name

Em G
So rain down on me, whoa

D Em
Rain down on me, whoa

D Em
Rain down on me, whoa (hey-yeah)

Am
Rain down on me

Em Bm
Rain down on me (yeah)

Em C
Rain down on me, whoa

D Em Bm
Rain down on me, whoa

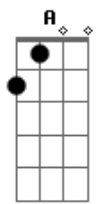

Am C
Rain down on me, whoa

Em D
Rain down on me

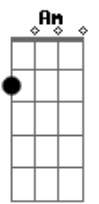

Am D
Rain down on me, yeah

Em
Rain down on me
