Tom: E

m [Intro] Em Bm C

Em Bm C

Come on over

Em Bm C

Come unglued

Em Bm C

It's not easy

Em Bm C

To see all of you

Em Bm C

Help yourselves

Em Bm C

Help is on the way

Em Bm C

Well there's nothing to lose so now

Em Bm C

I have something to say

D C

Maybe we can all recognize a moment of silence

D C

Maybe we can finally agree on the same point of view

D

A long time ago we believed

C
And we were united

D

So the last thing on earth

C
I am ready to do is say

Em Bm C

Goodbye!

(Em Bm C)

D

C
A long time ago we discovered that nothing could stop us

D

C
This hasn't torn us apart so nothing ever will

D

C
How can we know where we are if the sun is behind us?

D

But this moment will show us the rest of our lives

C

No one is going to save us this time

D

No one can know what we're feeling

Em Bm C

So don't even try
