

Slipknot - Snuff

tom: Gbm Afinação: Db Gb B E Ab Db
Intro: Am Em F C

Am Em F
Bury all your secrets in my skin
C Am Em
Come away with innocence
F C
And leave me with my sins
Am Em F
The air around me still feels like a cage
C Am Em
And love is just a camouflage
F C
For what resembles rage again
(Am F Am F)
G
So if you love me, let me go
And run away before I know
G
My heart is just too dark to care
Am
I can't destroy what isn't there
G
Deliver me into my fate
Am
If I'm alone, I cannot hate
G
I don't deserve to have you
F
My smile was taken long ago
Am
If I can change, I hope I never know
(F Am F)
Am
I still press your letters to my lips
Am
And cherish them in parts of me
F
That savor every kiss
Am
I couldn't face a life without your light
Am F

But all of that was ripped apart
When you refused to fight
So save your breath, I will not care
Am G
I think I made it very clear
G
You couldn't hate enough to love
Am
Is that supposed to be enough?
G
I only wish you weren't my friend
Am
Then I could hurt you in the end
G
I never claimed to be a saint
F
My own was banished long ago
Am
It took the death of hope to let you go
(F Am F)
Oh!
Am F Am F
So break yourself against my stones
Am
And spit your pity in my soul
G
You never needed any help
Am
You sold me out to save yourself
G
And I won't listen to your shame
Am
You ran away, you're all the same
G
Angels lie to keep control
F
My love was punished long ago
Am
If you still care, don't ever let me know
F Am
If you still care, don't ever let me know
[Final] F Am F Am
