Gbm D
Bury all your secrets in my skin
Gbm
Come away with innocence

The air around me still feels like a cage

For what resembles rage again
(Gbm D)

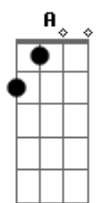

[Refrão]

E
So if you love me, let me go
Eb
And run away before I know
E
My heart is just too dark to care
Eb
I can't destroy what isn't there
E
Deliver me into my Fate
Eb
If I'm alone I cannot hate
E
I don't deserve to have you
D
Uh, my smile was taken long ago
If I can change I hope I never know
(Gbm D)

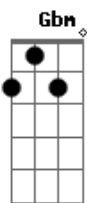

[Primeira Parte]

Gbm D
I still press your letters to my lips
Gbm
And cherish them in parts of me
D
That savor every kiss
Gbm D

You never needed any help

You sold me out to save yourself

And I won't listen to your shame

You ran away - You're all the same

Angels lie to keep control
