

# Slow Club - Because we're dead

Tom: F

I could say F  
That I do C  
But I don't F  
You could wrap a million candles Bb C  
Into a torch and hope that it steers you home F Dm Bb C F

You could cut all the telephone wires F C F  
And hope that nobody does get through F Bb C  
I might not have the power F Dm  
Of telepathy Bb C F  
But, I'm gonna be contacting you

Because i borrowed a book that I saw F C F  
Was planted deep inside your bag F C Bb C  
It gave me an excuse F Dm  
To see you again Bb C  
But I'm not a thief F  
I'll give it back

Don't you ever wonder F C F  
Who's living in that house F C Bb C  
It's too small for people F Dm  
We all said  
But there's people in the floorboards said the mouse Bb C F

And I showed you the things that I'd made F C F  
You didn't think that they were too great F Bb C  
But I'm glad that you thought of it F Dm  
Think what you're taught Bb C F  
Because everybody else's mind is grey

We kept up the act for, two-o-o-o-o F C F  
Dates before it needed blue F C  
I didn't drink what you drank Bb C  
You didn't sink when I sank F Dm  
So, there's little else for us to do Bb C F

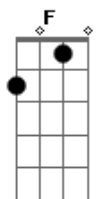

Don't you ever wonder  
Who's living in that house  
It's too small for people  
We all said  
But there's people in the floorboards said the mouse  
Said the mouse

I didn't say, Goodbye today F C F  
Oh, I did it, The cowards way F C Bb C  
I tied it to the net, girl F Dm  
To see where it gets Bb C  
To go sailing on F  
Down your way

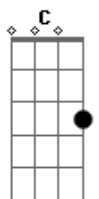

But you poured petrol all over F C F  
The ship you used to sail the sea F C Bb C F Dm  
You didn't think that you'd be coming home again Bb C F  
So, you said Bye to me

Don't you ever ponder F C F  
On things we never said F C Bb C  
Yes I did F Dm  
But when we were kids Bb C  
Now it's too late F C  
Because we're dead F C  
Because we're dead F C  
Because we're dead F C  
Because we're deeeeeeeeeaaaaad F
