

Smash Into Pieces - Merry Go Round

tom:

Am

[Primeira Parte]

There's a side of you I love
There's a side that I'm sick of
No one gets me high like you
No one breaks me down the way you do
We've played this game so many times

Used the same old lies, said our
Last goodbye

[Pré-Refrão]

Still I keep coming back for more
I just want you for one last time

[Refrão]

You hate me when I break up
You save me when I fuck up
You love me when I'm back again
I'm addicted to
You hate me when I break up
You save me when I fuck up
You love me when I'm back again
That is how we ride
On the merry-go-round
On the merry-go-round
On the merry-go-round

[Segunda Parte]

I can't tell the wrong from right
And I don't know why when we fight
(G) I'm too lost in you to see
That the thing we have is not meant
To be
We are waiting for the weekend rush
When life doesn't suck, when there's
A chance we'll fu?

[Pré-Refrão]

I realise this won't work no more

I just want you for one last time
[Refrão]

You hate me when I break up
You save me when I fuck up
You love me when I'm back again
I'm addicted to
You hate me when I break up
You save me when I fuck up
You love me when I'm back again
That is how we ride
On the merry-go-round
On the merry-go-round
On the merry-go-round

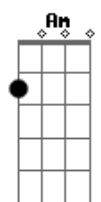

[Ponte]

Round and round
Round and round
Round and round
I hate that I love what I hate
And I can't escape, I can't find
No cure
I hate that I love what I hate
I'm thinking that I'm addicted to you

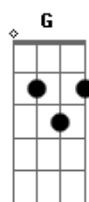

[Refrão]

You hate me when I break up
You save me when I fuck up
You love me when I'm back again
I'm addicted to
You hate me when I break up
You save me when I fuck up
You love me when I'm back again
That is how we ride
On the merry-go-round
On the merry-go-round
On the merry-go-round
That is how we ride
On the merry-go-round
On the merry-go-round
