The Verse Isn't Hard It Consists Of Two Movements, Following Alone With The Song To Get The Pattern:

Chorus-This Part Has **A** Wierd Chord I Don't Even Know:

G C ? C

Towards The End Of The Song There Is Finger Picking:

====

Album: "Astro Lounge"
Tab by: Alex Spears

Sorry, but that guy's tab isn't exactly right.
Here's mine:

First of all, drop your guitar 1/2 step to **Eb**
tuning, like this: (low

The verses use the same pattern of chords over and over. They are:

low to high
G - x-x-x-4-3-3
D - x-x-x-7-7-5
Am - x-x-x-5-5-5
C - x-x-x-5-5-3

For example:

G D D Am C
Somebody once told me the world was gonna roll me
C G D D Am C C

I ain't the sharpest tool in the shed

And so on. Listen to the song and you can figure out the rhythm. The bass comes in just before the guitar chords do, so look at my bass tab that I'm about to submit in a few minutes. The guitar plays these chords throughout the Pre-Chorus, (when the drums come in) but then it all changes for the chorus.
Use these chords:

G - 3-5-5-x-x-x
C - x-3-5-5-x-x
C#mb5 - x-4-2-0-x-x (**C** Sharp Minor Flat Fifth)
F - 1-3-3-x-x-x

G C C#mb5 C
hey now you're an all star get your game on go play
G C C#mb5 C
hey now you're a rock star get the show on get paid
G C C#mb5 C G F
And all that glitters is gold, only shootin' stars

break

G
the mold

And then the solo: (I don't have my guitar with me right now, but I think this is it.)

Then for the last verse, improvise. Skip strings and pick something

out of these chords:
G - 3-2-0-0-0-3
D - x-x-0-2-3-2
Am7 - x-0-2-0-1-0
C - x-3-2-0-1-0

Hopefully this helps.
