It ain't no joke I'd like to buy the world a toke and teach the world to
 sing in perfect harmony and teach the world to snuff the fires
 and the
 liars hey I know it's just a song but it's the spice for
 recipe I know this
 love attack I know it went out but it's back it's just like
 any fad it
 retracts before impact and just like fashion it's a passion
 for the with it
 and the hip if ya' got the goods they'll come and buy it just
 to stay in
 the cliqe

So don't delay act now supplies are running out allow, if
 you're still

alive, six to eight years to arrive and if you follow there
 maybe tomorrow
 but if the offer is shun you might as well be walkin' on the
 sun
 Twenty-five years age they broke out and they spoke out of
 depression and
 oppression and together they toked and they folked out on
 guitars around a
 bon fire just a singin' and a clappin' man what the hell
 happened? Some
 were spell bound some were hell bound some they fell down and
 some got back
 up and fought back against the melt down and their kids are
 hippie chicks
 are hypocrites because fashion is smashin' the true meaning of
 it

Refrão

It ain't no joke when mama's hankerchief is soaked with her
 tears because
 her babys life has been revoked the bond is broke up so choke
 up and focus
 on the close up Mr. Wizard can't perform no God like hocus
 pocus so don't
 just sit back kick back and watch the world get bush wacked
 new at ten your
 neighborhood is under attack put away the crack before the
 crack put you
 away you need to be there when your baby is old enough to
 relate
