                                                                 Ponte:
       Shakedown 1979
                                                                       Bb
       Cool kids never have the time
                                                                 To the lights and towns below
Eb7 Ab
                                                                 Faster than the speed of sound
       On a live wire right up off the street you and I should
                                                                                                      Bb
                                                                                              Ab
                                                                 Faster than we thought we'd go, beneath the sound of hope
meet
                                3x
                                                                                                 3x
1x
                                                                 1x
                                                                 Eb7 Ab
Eb7 Ab
                                                                        Justine never knew the rules
       June bug skipping like a stone
                                                                        Hung down with the freaks and the ghouls
      With the headlights pointed at the dawn
                                      Fm
                                                                        No apologies ever need be made
       We were sure we'd never see an end to it all
                                                                        I know you better than you fake it, to see
Refrão:
                                                                 Refrão:
F<sub>b</sub>7
And I don't even care to shake these zipper blues
                                                                 Eb7
                                                                                    Ab
                                                                 And I don't even care to shake these zipper blues
And we don't know just where our bones will rest
                                                                               Ab
                                                                 And we don't know just where our bones will rest
             Ah
To dust I guess forgotten and absorbed into the earth below
                                                                  To dust I guess forgotten and absorbed into the earth below
Passagem: (Eb7 Ab )
                                                                 Verso:
                                                                 1x
Verso:
                                                                 Eb7 Ab
1x
                                                                        The street heats the urgency of sound
       Double cross the vacant and the bored
                                                                        As you can see there's no one around
       They're not sure just what we have in the store
                                                                   F<sub>b</sub>7
                                     Fm
                                                                 ||1|||
       Morphine city slippin' dues, down to see that
                                                                 111111
                                                                 |||234
Verso:
                                                                 111111
