lead outro: she will...

slow hold

Feedback, backwards guitar, noise....

Lyrics:

Real love  
Real love  
Share your kisses, take your heart  
Everything if it hurts

I love my sister so  
She don't smother me  
I played the spades I know  
I'm a Jack of all trades... would you bury me?

Once you see her  
One inside  
Some things you just can't hide

If you see her  
Tell me why  
Why won't she come outside?

She will... bury me.  
She will... bury me.
