

# The Smashing Pumpkins - Here Is No Why

Tom: **A**

[INTRO]: A, NOT A.

[RIFF A]:

The useless ... another day The endless.. death rock  
boooooooy\_\_

Repeat [RIFF A]:

Mascara sure and lipstick lost ... glitter burned by restless  
thoughts

of being forgotten

[NEXT RIFF, this one varies]: Distortion comes in REALLY big  
here.

and in your sad machines

you'll forever staaay

desperate and displeased with whoever you are

and you're a star

[The **A** goes on a little longer here]

Somewhere\_\_\_\_\_ he pulls his hair down  
over a frowning

find the secret smile **A** hidden cannot

star cannot shine over to you

|-Palm Mute-|

May the king of gloom

|-Palm Mute-|

Be for\_\_ever doooooomed

and in your sad machines

you'll forever stayyy\_\_\_\_\_

burning up in speed

lost inside the dreams

of teen machines

[interlude leading up to solo]:

The useless drag, the empty days  
the lonely towers of long mistakes  
to forgotten faces and faded loves  
sitting still was never enough

thanx a bunch.

|-Palm Mute-|

and if your giving in(now thats a scream)

|-Palm Mute-|

then your giving uuup

cause in your sad machines

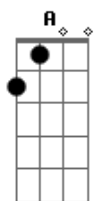

you'll forever stay

burning up in speed

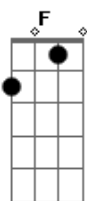

lost inside the dreams

of teen machines
