G
To me
B **E** **G**
Wrapped my hurt in you
B **E** **G**
And took my shelter in that pain
B **E** **G**
The opiate of blame
B **E** **G**
Is your broken heart, heart, your heart, so now
B **E** **G**
I'm all by myself
B **E** **G**
As I've always felt
B **E** **G**
I'll betray my tears
B **E** **G** **A**
To anyone caught in our ruse of fools
B **Gb**
One last kiss from me, yeah

One last kiss, good night

And crawled back to you

I'm all by myself

As I've always felt
B **E** **G**
I'll betray myself
