

The Smashing Pumpkins - Starla

Tom: D

This is the clean beginning then just add distortion and you have the chours i guess is what you would call it...

play these towards the end under the 4 minute long solo...there is no strum Time here just listen to the record..

Acordes

This is the soft i guess bridge 1 There is some kind of Just alternate these two chords

Small bridge in the dis tortion that goes like

this.

SORRY no solo... I suck at solos and since i Broke my E string i couldn't finish it, unless someone wants to send me an E (small one) string..=)
