boredoms in the bathroom shaking out the loose teeth
sally's in the stirrups claiming her own destiny

and nobody nowhere understands anything

about me and all my dreams
lost at sea
jack it up judy set your heart alight
mayfair mistress of the satellites

misspent youth- faking up a rampage
to hold off the real slaves
paid off and staid

and what you never knew
can never get to you
so fake it

i'll be your stumbeline
i'll be your super queen
and make you
jukebox fuckup hanging round the drugstore
no matter what you say he'll be back for more
mommy's in the manger with the little kids

she's got her reasons, got my forgets
of tears and idle threats
misplaced

and no matter what they do
they can't get to you
so fake it

i'll be your stumbeline
i'll be your super queen
and make you me

come around ruby i could never sleep alone

Well we've reached the end of another tab..as always , your
comments,
corrections, and questions are welcome...
