D2 **Am**
twilight fades

G
through blistered avalon

D2 **Am**
the sky's cruel torch

G
on aching autobahn

G Bm A7sus4 Em
into the uncertain divine

D2 **Am** D2
we scream into the last divide

D **Am G**
you make me real

D **Am G**
you make me real

D **Am Em**
strong as i feel

D **Am Em**
you make me real

D2 **Am G**
Sheila rides on crashing nightingale

D2 **Am G**
intake eyes leave passing vapour trails

G Bm A7sus4 Em
with blushing brilliance alive

D2 **Am G**
because it's time to arrive

D **Am G**

you make me real

D **Am G**
you make me real

D **Am Em G**
strong as i feel

D **Am D**
you make me real

D2 **Am G**
lately I just can't seem to believe

D2 **Am G**
discard my friends to change the scenery

G Bm A7sus4 Em
it meant the world to hold a bruising faith

D2 **Am** D2
but now it's just a matter of grace

a summer storm graces all of me

D2 **Am G**
highway warm sing silent poetry
G Bm A7sus4 Em
I could bring you the light

and take you home into the night

D **Am G**
lately I just can't seem to believe

D **Am**
discard my friends to change the scenery
