(intro) D Am G D Am G D Am C D Am G

We only come out at night
We only come out at night
The days are much to bright
We only come out at night

and once again, you'll pretend to know me well, my friends
and once again, i'll pretend to know the way
thru the empty space
thru the secret places of the heart

We only come out at night
We only come out at night
The days are much to bright
We only come out at night

C Em C Em G D Am

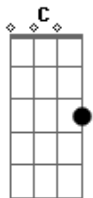

i walk alone, i walk alone to find the way home
i'm on my own, i'm on my own to see the ways
that i can 't help the days, you will make it home o.k.
i know you can, and you can

We only come out at night
We only come out at night
The days are much to bright
We only come out at night

and once again, you'll pretend to know that
that there's an end, that there's an end to this begin
it will help you sleep at night
it will make it seem that right is always right
alright

We only come out at night
We only come out at night
The days are much to bright
We only come out at night
