

The Smashing Pumpkins - Zero

Tom: **C**

Tune: (Eb Ab Db Gb Bb Eb)

1

G1 (G2 enters later) Distortion

harmonics -----
harm. harm. -----
harm.

These harmonics are produced by lightly applying your index finger to the low **E** and gradually sliding from around fret 1.75 to 4 or so. **A** good way of looking at this is letting your finger touch the **E** while setting back up for the **C** octave chord.

2

repeat

Put in Es (|022100| or |079900|) in the part that goes:

"Emptiness is lovliness and\ Lovliness is cleanliness and\ Cleanliness is godliness and\ God is empty just like me."

3 (after slide and under solo)

G2

4 (You blame yourself...)

repeat

at the end of this riff G2 plays:

Those high screams (like the end of the above) are the high **E** on the 24th fret (it's james on his V or flood in the production room).

then repeat 1 and that's Zero!
