

Snooze - Sunshine

tom:

Am7 **Am** **Am** **Am7**
 I used to walk around and feel so fine

Dm
 But then you came in

G **C**
 Saying you could love me more

E **Am**
 Than anyone I've seen

Am **Am7**
 You came closer, you made me feel

Am7 **Dm**
 As if I were king

G **C**
 Fell in love with you my world

E **A**
 Got bright you were with me

A **A7M** **A7**
 You showed me love, you made me smile

Dm **A**
 You brought me sunshine in your eyes

E

But when you left you taught me

Am **Am7**
 How to cry for countless nights

Am7 **Dm**
 Time didn't seem to pass

G **C**
 Wondered how long it would take

E
 Till I was healed at last

Am **Am7**
 Fade away, find a way

Am7 **Dm**
 Nothing you could say would do

G **C**
 Oh, it's hard when you feel blue

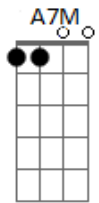

E **A**
 And all you need is you

A **A7M** **A7**
 You showed me love, you made me smile

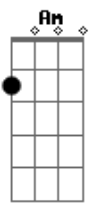

Dm **A**
 You brought me sunshine in your eyes

E
 But when you left you taught me? how to cry
