

Snooze - Sunshine

tom: Am Am Am Am

I used to walk around and feel so fine

But then you came in Dm

Saying you could love me more G C

Than anyone I've seen E Am

You came closer, you made me feel Am

As if I were king Am Dm

Fell in love with you my world G C

Got bright you were with me E A

You showed me love, you made me smile A A7

You brought me sunshine in your eyes Dm A

E

But when you left you taught me

Am Am

How to cry for countless nights

Am Dm

Time didn't seem to pass

G C

Wondered how long it would take

E

Till I was healed at last

Am Am

Fade away, find a way

Am Dm

Nothing you could say would do

G C

Oh, it's hard when you feel blue

E A

And all you need is you

A A A7

You showed me love, you made me smile

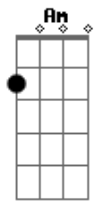

Dm A

You brought me sunshine in your eyes

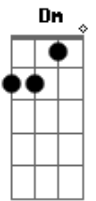

E

But when you left you taught me? how to cry
