

Snow Patrol - An Olive Grove Facing The Sea

Tom: Bb

Intro: Bb

Verso:

(Bb Eb D2 C2)

Sworn to secrecy i might go after school
She was an angel i saw her swimming there
I am in such a mess i can't cope without this
She just teases me pretends she can't see me here

(D2 F G G)

Refrão:

So let me go out there
I can breathe fresh air
And lie with you all night
Just let me love you
Just for a while want to
Be with you all night
Be with you all night
Until i fall asleep
Until i fall asleep
Until i fall asleep
Until i fall asleep
Just let me be here
I won't tell anyone
I don't want to wake up
I don't want to wake up

(Gm F Bb F Bb F Bb)

Verso 2:

(Bb Eb D2 C2)

The blind lead the blind so why can't i find my way
This could be heaven but i don't know where i am
I am too frightened to come out from behind here
My body is aching it feels like it's wearing me

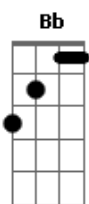

(D2 F G)

Refrão:

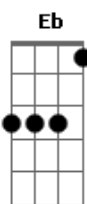

So let me go out there
I can breathe fresh air
And lie with you all night
Just let me love you
Just for a while want to
I don't want to wake up
I don't want to wake up
Just let me fall asleep
Just let me fall asleep
Just let me fall asleep
Just let me fall asleep
Just let me be here
I won't tell anyone
I don't want to wake up
Want to wake up
