

Snow Patrol - Chasing Cars

tom:

Intro:

[Primeira Parte]

We'll do it all, everything, on our own
We don't need anything, or anyone

[Refrão]

If I lay here, if I just lay here
Would you lie with me, and just forget the world

[Segunda Parte]

I don't quite know how to say how I feel
Those three words, are said too much, they're not enough

[Refrão]

If I lay here, if I just lay here
Would you lie with me, and just forget the world
Forget what we're told, before we get too old
Show me a garden that's bursting into life

[Terceira Parte]

Let's waste time, chasing cars, around our heads
I need your grace to remind me, to find my own

[Refrão]

If I lay here, if I just lay here
Would you lie with me, and just forget the world
Forget what we're told, before we get too old
Show me a garden that's bursting into life
All that I am, all that I ever was
Is here in your perfect eyes, they're all I can see
I don't know where, confused about how as well

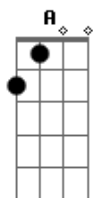

Just know that these things will never change for us at all

[Final]

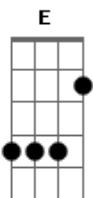

If I lay here, if I just lay here
Would you lie with me, and just forget the world

[Outro]
