

# Snow Patrol - Chasing Cars

tom:  
Intro:

We'll do it all, everything, on our own  
We don't need anything, or anyone  
If I lay here, if I just lay here  
Would you lie with me, and just forget the world  
I don't quite know how to say how I feel  
Those three words, I said too much, but not enough  
If I lay here, if I just lay here

Would you lie with me, and just forget the world  
Forget what we're told, before we get too old  
Show me a garden that's bursting into life  
Let's waste time, chasing cars, around our heads  
If I lay here, if I just lay here  
Would you lie with me, and just forget the world  
All that I am, all that I ever was  
Is here in your perfect eyes, they're all I can see  
I don't know where, confused about how as well  
Just know that these things will never change for us at all  
If I lay here, if I just lay here  
Would you lie with me, and just forget the world
