

# Snow Patrol - Empress

Intro: C F C F

Tom:

[Primeira Parte]

You're <sup>C</sup>angry but you don't know how to be <sup>F</sup>that yet  
It seems too much went wrong and all at once  
<sup>C</sup>Resistance seems impossible from down this <sup>F</sup>low  
And surely no one else can feel like this

[Pré-Refrão]

But on the <sup>F</sup>streets  
You can see them gathering <sup>C</sup> <sup>Dm</sup>  
And in your heart <sup>F</sup>  
You know they feel like you do <sup>C</sup> <sup>Dm</sup>

[Refrão]

<sup>C</sup>Sound and pulse and volume <sup>F</sup>  
Hands just reaching other hands  
<sup>C</sup>This is almost overload  
<sup>F</sup>I said almost overload  
<sup>C</sup>Friends and foes and princes <sup>F</sup>  
Are all just human in the end  
<sup>C</sup>This is so damn simple, yeah  
<sup>F</sup>It's so damn simple <sup>C</sup>

[Segunda Parte]

So standing in the steady throne of <sup>C</sup>restless hope <sup>F</sup>  
You don't feel like an outcast anymore <sup>C</sup> <sup>F</sup>  
And something deep inside of you has waken up <sup>C</sup> <sup>F</sup>  
And you know that nothing's gonna be the same again <sup>C</sup> <sup>F</sup>

[Pré-Refrão]

<sup>F</sup>And on the streets  
You can see for what seems miles <sup>C</sup> <sup>Dm</sup>  
Because in your heart <sup>F</sup>  
You know they feel like you do <sup>C</sup> <sup>Dm</sup>

[Refrão]

<sup>C</sup>Sound and pulse and volume <sup>F</sup>  
Hands just reaching other hands  
<sup>C</sup>This is almost overload  
<sup>F</sup>I said almost overload  
<sup>C</sup>Friends and foes and princes <sup>F</sup>  
Are all just human in the end  
<sup>C</sup>This is so damn simple, yeah  
<sup>F</sup>It's so damn simple <sup>C</sup>

[Ponte]

<sup>C</sup>Your mind won't be still  
<sup>F</sup>It may not again  
<sup>C</sup>You don't think it will  
<sup>F</sup>But it will, it will

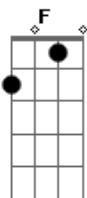

[Refrão]

<sup>C</sup>Sound and pulse and volume  
<sup>F</sup>Hands just reaching other hands  
<sup>C</sup>This is so damn simple, yeah  
<sup>F</sup>It's so damn simple  
<sup>C</sup>This is so damn simple, yeah  
<sup>F</sup>This is so damn simple  
<sup>C</sup>This is so damn simple, yeah
